What is 2 Metres?

We still have to stay away from people we don't live with to protect everyone.

This is called physical (or social) distancing and we should keep 2 metres apart.

But just how big is 2 metres?

It's the width of a regular car

OR

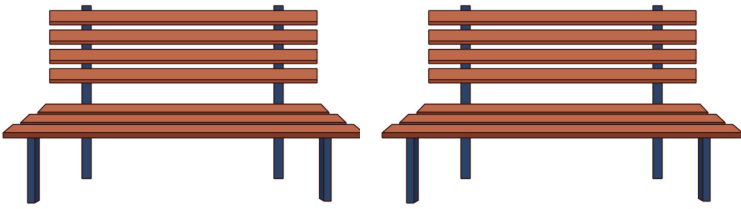

the length of a Harley Davidson motorbike

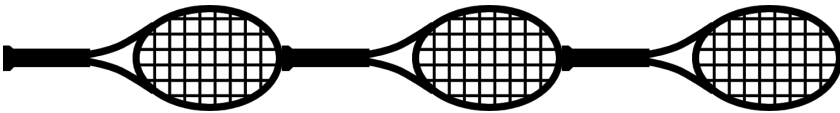

2 shopping trolleys

OR

2 park benches

OR

3 tennis rackets

OR

4 desk chairs.
